

# More than just POINT OF SALES

*... and certified software  
for tracking pull tabs*

Get a jump  
on state reporting

The system tracks much of the operations information needed to complete your annual license application via the Ohio AG office's online portal, **MAKING THE RENEWAL PROCESS SIGNIFICANTLY EASIER.\***

*\* Your gaming manager still will need to keep track of required administrative information, such as bingo personnel updates, IRS tax exempt status, proof of continued existence, etc., needed to complete your license application.*
