

# Buying Guide – King Canada Tools

## King Canada Tools: Versatility and performance for your workshop!

Started up as a small tool manufacturing company in 1910, King Canada Tools has now expanded to the Canadian and American markets. It offers a variety of tools for all levels: from the occasional craftsman to the professional cabinet manufacturer. King Canada Tools provides you with an extensive selection of sanders, metal lathes, vacuums, generators, band saws, bench

grinders, fittings, accessories and much more.

The commitment at King Canada Tools is to continuously strive to introduce new, innovative and exclusive tools and products of each category at prices that defies all competition. Take a look at the vast range of power tools, corded tools and accessories King Canada Tools has to offer. Visit our King Canada page for more details.

## King Canada Sanders

King Canada sanders are a must to have in any wood shop, whether you are a professional carpenter or the occasional woodworker. Sanders come in a variety of shapes and sizes and each one of them has a particular function, besides sanding. Take a look at King Canada sanders' selection to make your choice.

Image	Sander Type	Function	Benefits	Our recommendations
	Drum Sander	<ul style="list-style-type: none"> <li>• Use interchangeable rolls of sandpaper;</li> <li>• Single-drum, open-end units take up little room;</li> <li>• Single-drum, closed-end units are more powerful;</li> <li>• Double-drum units cut work time by 50 %.</li> </ul>	<ul style="list-style-type: none"> <li>• Work quickly and efficiently</li> <li>• Handle large jobs easily</li> <li>• Wide range of grits available</li> <li>• Handle both small and large boards</li> <li>• Ideal for maintaining square edges</li> </ul>	<p>King Canada - 26" x 12" Single Drum Sander - KC-26-1-D</p> <p>King - 16" x 5" Single Drum Sander - KC-16-1-D</p>
	OscillatingEdge / SpindleSander	<ul style="list-style-type: none"> <li>• Combine belt sanding and spindle sanding into one unit</li> <li>• Convert back and forth with ease</li> </ul>	<ul style="list-style-type: none"> <li>• Provide fast, precise sanding</li> <li>• Handle everything from sharpening knives to polishing applications</li> <li>• Work well with wood and metal</li> </ul>	<p>King - 6" X 108" Oscillating Edge &amp; Spindle Sander - KC-6108-OSC</p> <p>King - Oscillating Spindle Sander - KC-OVS-F2</p>
		<ul style="list-style-type: none"> <li>• Utilize a pulley-driven loop</li> <li>• Remove large amounts of wood quickly</li> <li>• Inline units weigh</li> </ul>	<ul style="list-style-type: none"> <li>• Perfect for doors, tabletops and uneven areas</li> <li>• Best for large areas and</li> </ul>	

	<b>Belt Sander</b> Sander Type	less and work well for small parts <b>Function</b>	rough sanding <b>Benefits</b> • Sand wood aggressively	King - 6" x 48" Belt & 9" Disc Sander - KC-760L King - 6" x 48" Belt & 12" Disc Sander - KC-788FX
		<ul style="list-style-type: none"> <li>• Transverse units accommodate heavy motors</li> <li>• Perfect for general-purpose work</li> </ul>	<ul style="list-style-type: none"> <li>• Transverse units handle heavy jobs</li> </ul>	

## King Canada Generators

Whether it is for providing electricity and energy on a remote location or jobsite, or even to provide heat and electricity during an outage at home, King Canada generators will never let you down. Coming in portable versions of 950W to the biggest industrial model at 10,000W, King Canada generators offers sturdiness, durability and performance at all times. Most of our models function with gasoline and, with proper care, will last for years to come. Take a look at our latest King Canada generators!

- King - 8500W Gasoline Generator with Electric Start & Wheel Kit - KCG-8500GE
- King - 950W Portable Generator - KCG-951G
- King - 10000W Gasoline Generator with Electric Start & Wheel Kit - KCG-10000GE

## King Canada metal cutting bandsaws

King Canada metal cutting bandsaws stands out by their utmost sturdiness and will get the job done in no time. They are designed for heavy-duty production. They can also handle a continuous workload with reliability and precision. King Canada metal cutting band saws go to 4" up to 18". They come in portable versions or with integrated mobile bases, making them ideal for the workshop, the garage or a jobsite. Check out our selection of metal cutting bandsaws to find the one fit for the job.

- King - 7" x 12" Dual Swivel Metal Cutting Bandsaw - KC-712DS
- King - 5" x 6" Metal Cutting Bandsaw - KC-129C
- King - 18" Metal Cutting Bandsaw - KC-450
- King - 9" x 18" Metal Cutting Swivel Bandsaw (200V) - KC-918S-V

## King Canada Bench Grinders

Whether you are starting as a metal worker or that you are now mastering the art of metalworking, a bench grinder is an integral part of your workshop. King Canada bench grinders are top-of-the-line metalworking machinery that is durable and precise. When using a bench grinder, you may attach a wheel that works for the job: a 36-grit can sharpen most gardening tools, 60-grit is best for chisels and plane irons, and 80-grit or 100-grit wheels are better reserved for delicate jobs like shaping metal model parts.

- King - 6" Bench Grinder - Slim Line Series - KC-690
- King - 8" Bench Grinder - KC-890
- King - 10" Bench Grinder - KC-1090

## King Canada Vacuums

King Canada wet/dry vacuums are perfect for all types of surface, whether it is on wood, cement, concrete or any other surface. They can clear away both wet and dry spills around the workshop or the house; while also clearing away heavier indoor and outdoor debris. King Canada vacuums come in many sizes and are efficient, durable and can easily be transported from a room to another. Check out our latest King Canada vacuums to find one fit for the job!

King - 5 Gallon Wet•Dry Vacuum - 8520LP King - 16 Gallon Wet•Dry Vacuum - 8560LST King - 10 Gallon Wet•Dry Vacuum - 8540LST
