## STHIL Trimmers

STHIL trimmers can easily tame long grass and undergrowth. These machines can be fitted with the proper cutting tool for all types of jobs outside your home; from mowing small areas of grass to thinning overgrown thickets. Our selection also includes models with reduced-emission engine technology, that produces less exhaust gases, than conventional two-stroke engines, giving you fuel efficiency. We also have quiet engine models that are perfect for small outdoor businesses that have to work in noise-sensitive environment.

**STHIL Electric Trimmers:** They are the best choice for small to moderate jobs around the yard. Our

electric trimmers' models are ergonomic, which makes them easier to handle. They have an easy line refilling, adjustable loop handle and is quiet (under 60 decibels.)

**Our recommendation:** Stihl - Powerful, durable consumer trimmer, ideal for lawn edging - FS 38

**STHIL Grass Trimmers:** STHIL grass trimmers will quickly restore order, along the side of your home, or the walls, around or under the bushes. When equipped with the proper cutting tools, they can also be used for heavier jobs around the yard. Most of our grass-trimmers are fuel-efficient.

**Our recommendations:** Stihl Lightweight reliable consumer trimmer with Easy2Start™ - FS 40 C-  
Stihl - Perfectly balanced light trimmer with Easy2Start™ - FS 50 C-E

## STHIL Blowers

STHIL blowers will efficiently clear paths, flowerbeds and laws, while built-in mufflers noticeably decrease the engine noises. Designed to be easily handled, but also to provide you with efficiency and performance, STHIL blowers come in a variety of types and sizes. Take a look at the chart below to determine which STHIL blower best fits your needs.

Image	Type	Function	Our recommendation
	Electric Handheld Blower (corded)	Electric handheld blower units are best used in gardens and pavements. They can be converted into a vacuum unit with catcher bag for compressing large volumes of waste. Light and easy to handle. Corded blowers	Stihl - Lightweight electric blower for homeowner use - BGE 61 Stihl - Electric handheld blower with dual speed motor for homeowner use - BGE 71
	Handheld Blower (fuel)	High-performance handheld blowers can help you scatter wet layers of leaves and tackle clippings, small branches and grass. They are ergonomically designed, easy to operate and to start.	Stihl - Blower for homeowners - BG 50 Stihl - Hand held blower with low emission engine and STIHL Easy2Start™ - BG 56 C-E
	Vacuum Shredders	Vacuums shredders pick up great volumes of fallen leaves, cut grass and trimmings, and shred them simultaneously. They are reduced to less than 10% of the original volume. The organic material can be used directly for composting or mulching.	Stihl - Powerful vacuum shredder with Easy2Start™ - SH 56 C-E
	Backpack Blower and Sprayer	STHIL has three innovative models of Backpack blowers and sprayers with 2-stroke stratified charge engine, offering enhanced performance, with 20% reduction in fuel consumption and 70% less emissions. They also feature automatic starting position and automatic choke reset and anti-vibration system.	Stihl - Professional backpack blower - BR 600 Stihl - Backpack blower - BR 350
	Lithium-ion handheld blowers	These powerful portable cordless blowers are very easy to handle: you simply switch on the two stage axial blower to instantly benefit from blowing power. Air stream and blower intensity can be adjusted in infinite variables. Leaves, cuttings and wastes are cleaned silently from all surfaces in an instant.	Stihl - Powerful portable cordless blower - BGA 85

## STHIL Hedge Trimmers

STHIL hedge trimmers are made and built to for use in park and landscape maintenance. However, it can also be used for a variety of jobs around your house. Standing out by their durability and geared for continuous use, their technical refinements

take the strain out of your work. With top-of-the-line blade symmetry, they are perfect for trimming woody or tough edges. Check out our different types of hedges trimmers so you can find the best fit for the job you need it for.

Image	Type	Function	Our recommendation
	Hedge Trimmer	Standard hedge trimmers are fuel-efficient and made for landscape and park maintenance. They can be used for a vast range of jobs and are specially built to endure a continuous use. With one-of-a-kind blade symmetry, they are perfect for trimming tough and woody edges.	Stihl - Light introductory hedge trimmer for garden trimming - HS 45
	Long-reach hedge trimmer	The long-reach hedge trimmers are used for all jobs that are out of reach of the standard hedge trimmers. With these models, you will be able to trim tall and extra-wide hedges without a ladder. Coming with 4-mix engine and adjustable cutter bars for comfort.	Stihl - Hedge Trimmer 135° - HL - KM
	Lithium-ion hedge trimmer	Lithium-ion hedge trimmers will do the work any hedge trimmer will do, but will be a lot more quieter that the standard model, perfect to work around noise-sensitive areas, like around homes, hospitals, clinics and day cares. Power from the lithium-ion battery packs is optimized to achieve great efficiency and performance.	Stihl - Lithium-ion hedge trimmer - HSA 66 Stihl - Lithium-ion long-reach hedge trimmer - HLA 65

## STHIL Pole Pruners

If you own trees or an orchard, STIHL pole pruners are the perfect assets to have at hand. Thanks to their high torque, even thick and high branches will not be able to resist them. Their features include Easy2Start technology, for effortless starting and top-of-the-line 4-MIX engine for extra performance. STIHL Pole Pruners are lightweight, powerful, extremely quiet for work sensitive areas and 0% emissions.

Stihl - Lithium-ion pole pruner - HTA 85

Stihl - Pole Pruner - HT - KM
