## SuperMax Tools: One-of-a-kind drum sanders

From our exceptional product quality to our customer service and technical support, we have the experience and application expertise to assist you in your sanding and finishing needs. /Coming from St-Paul, Minnesota, SuperMax Tools specializes in brushes and drum sanders, made for the metalworking and woodworking industry. SuperMax Tools stands out by manufacturing drum sanders of exceptional quality that can fill any sanding and finishing need.

Even if some woodworkers are considering it to be a luxury item to have in a workshop, once you get a drum sander, it will prove to be an invaluable asset. Its finishing power will make you use it on every woodworking project. Take a look at the Supermax Tools' drum sanders selection we offer at Federated Tool.

---

## SuperMax Tools 19-38 Drum Sander with Free Digital Readout

This drum sander is perfect for the small shop or woodworking adept. It considerably reduces the tedium of hand sanding, while speeding up the sanding process, and produces more consistent results.

SuperMax Tools 19-38 Drum Sander comes standard on the Open Stand. The drum is pre-wrapped with 80 grit sandpaper.

---

## SuperMax Tools 25-50 Drum Sander

The SuperMax 25-50 drum sander is one of the largest open-end drum sander on the market. It sands 25" in a single pass, and up to 50" in a double pass. Finally, the 25-50 Drum Sander can expand the scope of projects you are able to accomplish, increasing the speed and consistency in which you are able to do them.

The 25-50 Drum Sander comes standard on the Closed Stand and the drum is pre-wrapped with 80 grit sandpaper. All additional sandpapers and accessories are available for purchase.

**.Clear Features include:**

25" sanding in a single pass, 50" in a double pass!

More room for easy access to abrasives- no special tool needed

Closed stand has built-in wheels and storage
